As the sizzling steak arrives at the table, our boy beams with delight at the sight of the delicious food. However, the persistent "ssss" sound of the steak triggers a realization that something is amiss. His initial joy fades, replaced by a look of confusion as he senses that a crucial element is missing from his meal.

Coincidentally, a waiter carrying a tray of 7up moves toward his table, reminding him of what would complete his meal. His frown turns upside down in anticipation. However, just as the waiter reaches his table, he takes a turn and serves the drinks to another table, leaving our boy disappointed once again.
